President Of Board Reports To Synod

Mr. W. E. Price, the retiring president of the Board of Regents, made the annual report to the Synod of North Carolina. The text of this report follows in the remaining paragraphs.

1. Presbyterian Orphans' Home

W. E. Price, President

Board of Regents

The blessings of God have been manifest in the life of the Home. We would acknowledge His goodness and express our gratitude for His loving kindness and provision for the needs of His children. The Regents have met in regular session twice during the year that has just closed. This governing body sets forth the policies and reviews the procedures of the total operation. The members of the Board have been faithful in their attendance and earnest in their desire to fulfill the duties incumbent upon them. As a member of the Board for the last eight years and president for the last five of these eight, and having seen the turmoil of transition, it is with great pleasure that I note the absence of friction and the presence of harmonious effort on the part of the total staff to accomplish the good for the boys and girls.

The doors of the Home are wide open for visitors and the year just closed has seen a record high number on the campus. In addition to the meeting of the Synod of North Carolina, the visit of the Women of the Synod of North Carolina, and the annual Fall Rally of 600 Men of Concord Presbytery, individuals and groups from over the Synod visited the campus throughout the entire year. The most wonderful new thing on the campus is the Church. It is the delight and joy of the boys and girls of the Home and stands on the campus as a great symbol for the Synod of North Carolina. Barium Springs is grateful for it and the Synod of North Carolina we believe is proud of it. The memorial gifts will soon finish the payment on the building.

The boys and girls of the Home are receiving excellent care. A general physical examination is given once a year and the services of the Infirmary on the campus, Dr. Bonner of Troutman and the Davis Hospital in Statesville afford the best that can be offered for the children. The Presbyterian dentists through their special committee of Dr. Ralph Coffey of Morganton, Dr. Sam Steelman of Lincolnton, and Dr. Frank Kirk of Salisbury, have set up the dental office on the campus. Dr. Smith Kirk spends two days a week on the campus and is doing a most excellent work, not

COTTAGE NEWS

Hello, It's the Bean Stringers again. We are really living up to our name now. We usually get beans in the morning. We all had a wonderful time on vacation and we have had little homesickness. We brought a lot of pretty things back and are enjoying them very much.

Martha Trivette has a birthday this month. She has a lot of surprises in store. The Birthday Table will be on her birthday so she will have a double party.

The older Howard girls gave a talent show and Brenda Shepherd won, so she is now "Talent Queen" of Howard Cottage. She sang "A Pal Good and True." We are really proud to have a singer in our cottage. In all this moving we will get six more girls. We will be happy to have them with us

Goodbye for now.

IT'S WONDERFUL!

Early in the summer the Barium Messenger carried a notice asking for contributions to send young people to camps and conferences during the summer. Again, a generous response was made and every person eligible for camp or conference had the privilege of attending. The generous response of the many groups and individuals confirm the conviction that this is a good investment.

ALUMNI NEWS

Johnny Hudgins has completed his time in the service and is now with his relatives in Charlotte.

New School Plan Gets Underway

The transition of the high school from the Barium Campus to the Troutman school will begin this fall. All of the children of the Home in the freshman and sophomore classes of the high schol will be enrolled at Troutman. These children will ride the regular school buses, will attend the school all day at Troutman, and will have lunch in the lunchroom with the rest of the student body. The juniors and seniors of the high school will remain on the campus at Barium Springs for this year. The new building is not finished at the Troutman school and there was not sufficient room for all four grades. In all probability the building will be ready for full use in the year '57 and all the high school students of the Home will attend the Troutman school.

As has been previously announced, the varsity sports program will be continued. The high school students eligible for participation in the South Piedmont Conference will be playing under the auspices of the Home.

This change has been made in order to enlarge the environment of the boys and girls at Barium and to enrich their relationships with other students of the community. Such action is in line with the procedures of most of the other Homes in North Carolina and in other states.

Homecoming Set For October 5th

The annual Homecoming for Barium Springs will be on Friday, October 5th. All former students and their families are expected to return to the campus for the full day's program. All of the cottages will have open house and at eleven o'clock there will be special exercises in the school building under the direction of the school. Luncheon will be served at high noon and following that the alumni will have an opportunity for a business session. In the afternoon on Sloan Field at 3:30 the 1956 edition of the Barium Tornadoes will take on the Spencer Railroaders.

Synod Elects New Board Members

At the meeting of the Synod of North Carolina at Red Springs the following were elected to serve as members of the Board of Regents: Mr. Robert Lee Corbett, Macclesfield, representing Albemarle Presbytery; Mr. George Stovall from Albemarle, representing Mecklenburg Presbytery; Mrs. W. W. McGinn, Route 4, Charlotte, is elected a member at large; Mrs. John Farrior from Burgaw, representing Wilmington Presbytery; and Mrs. David C. Clark, from Roanoke Rapids, representing Granville Presbytery.

These new members will meet with the Board in the fall to begin their services to the Synod of North Carolina as they assist in guiding the affairs of the Home.

Retiring from the Board were Mr. N. H. Edgerton, of Albemarle Presbytery, Mr. W. E. Price of Mecklenburg Presbytery, Mrs. Fred L. Smyre, at large, Mrs. C. A. Wyche, representing Granville Presbytery, and Mrs. L. Clayton Herring, representing Wilmington Presbytery.

The Board of Regents is composed of twenty persons, one man and one woman elected at large and one man and one woman elected from each of the nine Presbyteries.

The present executive officers are: Fred A. Long, Chairman, Mrs. Lewis Schenck, Vice-Chairman, Mr. Charles T. Hagan, Jr., Secretary.

Coach Calhoun Calls For The Footballers

August 15th noted the return of R. G. Calhoun, the principal of the school and the football coach to the campus to begin the fall work and to start the practice of the squad. A light but enthusiastic group of boys met the coach at the first practice session. A look over the squad indicates that it will be, as usual, rather small in number and this year a little lighter than formerly. The block-busting heavyweight of the whole crew will weigh about 165 pounds. Speed and determination is going to have to make up for the absence of pounds.

It is far too early to make any predictions about the team, but Coach Calhoun promises that they will be in there scrapping when the whistle blows for the first game.

New Children Arriving On Campus

The boys and girls of the Synod who will be making Barium Springs their home are now coming to the campus. It was deemed wise to begin the summer admissions after the vacation period, thus obviating the necessity of keeping the new children on the campus during the vacation time and having them to become somewhat homesick for the group.

PRESIDENT OF BOARD REPORTS TO SYNOD

(Continued from Page One)

only in the field of dentistry, but in his association with the boys and girls.

The Synod will take note of the change in the school arrangements of the Home. Formerly, we have had what is technically a County School. The State has afforded the number of teachers necessary for the number of students at Barium on the basis of the State teacher load. Having smaller classes, it meant that the Home had to supplement the number of teachers at its own expense. After careful study of the needs of the children, the Board voted unanimously to integrate the high school with the Troutman high school, one and one-half miles south, thus affording the children the opportunity of a normal community high school experience which will better fit them to leave the Home and join society. This will be begun in the fall of 1956 and will be completed in the fall of 1957. This move is in line with the common practice of child-caring institutions over the Southland.

The Home was operated in the year just closed without deficit. The books have been carefully audited by a professional firm and the report of this firm is on file in the Synod's office. Fifteen thousand dollars was added to the Endowment Fund from the J. T. Montgomery estate by direction of his will, and other Capital gifts during the year will suffice for the building of one of the new cottages so sorely needed.

The Regents are making every effort to bring the physical plant into good shape. It is a fact that the buildings are old and many of the farm buildings are beyond repair and will have to be replaced. It is the hope of the Regents that the special gifts of the Home will enable the Board to do the necessary repairs and replacements without having to make a special appeal to the Synod of North Carolina.

The Presbyterian Orphans' Home is equipped to take care of 250 children. At the close of the year there were 225 children in the Home. The applications during the year for boys far exceeded the space available, while applications for girls was rather low and left some vacancies in the girls' buildings.

The Board of Regents will be glad to receive from the members of the Synod any inquiries concerning the operation of the Home and to make available to any person full information about this part of the Synod's work. An invitation is extended to any person who wishes to visit the place to come by and see the boys and girls and to get first-hand information about the kind of work the Presbyterian Church is trying to do for the children at Barium Springs.

Since I am retiring from the Board at this meeting of Synod, may I express my appreciation to Synod for assigning me eight years of service on the Board. Also I want to express my high regard for Mr. McClure, our Superintendent, for the mutual spirit of cooperation, understanding and helpfulness in working out the difficult problems which presented themselves in the operation of the home.

W. E. Price
Chairman of Board
